

2024 Community Service

Four groups have been chosen for our 2024 community services partners, and I have made a list of what they would like to receive from our talented quilters and sewists.

Mid-Coast Family Service - quilts for children (including older children), mesh bags, pillow cases.

Gabriel Project - pillow cases, both standard size and toddler size (for 10"x15" pillow), burp cloths, bibs, baby quilts, receiving blankets.

Day One Project - for graduating seniors in foster care - a quilt sized 50" x 70". Can also do a zipper pouch (lined, minimum size 8" x 10").

Joseph's Warriors - quilts and pillow cases - the kits are available from Kat Kelley. If you have any specific questions I can answer or if you need help with anything, please ask!
